2016

STATE OF CONNECTICUT
DEPARTMENT OF EMERGENCY SERVICES & PUBLIC PROTECTION
OFFICE OF THE COMMISSIONER

March 3, 2016

Sen. Timothy Larson, Co-Chair
Rep. Stephen Dargan, Co-Chair
Public Safety and Security Committee
Legislative Office Building
Hartford, CT 06106

The Department of Emergency Services and Public Protection supports the following bills before you today and we thank you for raising these important agency proposals.

HB 5407—An Act Concerning the Division of State-Wide Emergency Telecommunications.

This bill codifies current practice and changes all references of "Office of State-wide Emergency Telecommunications" to "Division of Statewide Emergency Telecommunications."

When DESPP was established in 2011, the Office of State-Wide Emergency Telecommunications was housed within the Division of Fire Investigation and Statewide Emergency Telecommunications. Fire Investigation was reassigned to CSP in 2011 and no longer exists in that Division. The director of the unit responsible for the Division of Statewide Emergency Telecommunications, which now includes Communication Technical Services (CTS), reports directly to the Commissioner of DESPP.

The bill also updates the 9-1-1 statutes by adding Next-Generation 9-1-1 (NG911) language and requirements.

HB 5410—An Act Eliminating the Penalty for Refusing to Submit to the Taking of Fingerprints, a Photograph and a Physical Description.

This bill removes the \$100 penalty in CGS 29-17 for an arrestee's refusal to be fingerprinted as required under CGS 29-12.
